

NED GILL FOR YORKSHIRE AND THE HUMBER REGIONAL CO-ORDINATOR

Hi, I am **Ned** and I am standing to be the next Yorkshire and the Humber Regional Co-Ordinator for Labour Students.

I am currently **Treasurer & Disabled Officer** at **University of York Labour Club**

I am passionate about all things **liberation** and **accessibility**, therefore I want to make this the touchstone of my campaign!

If elected, I would focus on:

- **Improving communication** between clubs of all sizes, free from factionalism
- Make campaigning **accessible to all** through:
 - a localised **campaigns calendar** & **campaign group** open to all
 - highlights of the **diverse range** of campaigns in our region
 - **encouragement & support** of a variety of campaigning methods
 - **regional political meetups**

Regional autonomy and collaboration through a **Labour Students Yorkshire & the Humber group**

Every club deserves a vote in what happens in **OUR** region

Every liberation officer and every liberation caucus should be **respected** and **supported**
